DESCRIPTION/OPTIONS: Completely serviced New inspection sticker New transmission complete replacement 30 day plate One of the biggest issues that happens with Ford focuses is when the transmission needs to be rebuilt or a new one purchased this one has been completely done. So you can drive this with confidence knowing that it has been serviced and it is ready for you to drive home. Come experience what it's like to buy a vehicle that's right and ready on day one. Not like buying out of someone's driveway hoping for the best. The car gets 35 to 40 miles per gallon. Worry free driving. Great people great cars with over 35 years in business. Over 10,000 cars sold. By from a dealer who has integrity and wants everything to be right for you on day one and beyond. See you soon, friend :-)) oh and by the way, financing available for everyone we are a credit solutions dealer. Making it happen when others say no way
